For Dr. C. L. Colfax, Doctor of
the Baptists, Charles, Alexandria,

Alexandria, Licking Co., Feb. 24, 1852.

In January, 1854, I had a severe cough, pro-

ceeding from a bad cold, so that I coughed al-

most continually during the first three

Friday mornings past. Extended my treat-

ment twice, in the evening, of the prescribed dose

and still continued to suffer without a satis-

factory intermission from coughing.

I took the syrup again in the morning, and pre-

pared to go to bed at night without any

inconvenience. Since that time I have es-
timated it to be the best medicine I have

ever used, then Young, T. G. LAMB.

Recommended particularly to Clergy-
men, Lawyers and other Public
Speakers.

Professor Porter has, without solicitation,

given a certificate of the excellence of this

medicine, and I am sending it to all who are affiliated with our

Pittsburg Daily Post.

to him, and to his advice, I followed.

inconvenience. Since that time I have es-
